LB 946, 946A, 951, 597,
554, 800, 424, 248, 323,
407A, 636, 885

if we are going to be fair, if we are not going to take that extra day then I think that we have to allow this bill and even others, if there are others, to come up. Thank you.

SPEAKER LUEDTKE: Senator Frank Lewis.

SENATOR F. LEWIS: (no response).

SPEAKER LUEDTKE: Senator Koch.

SENATOR KOCH: Mr. Speaker and members of the body. I see no need for us to be in a hurry about this appropriations bill. We all know what is in it. One more time we are trying to alleviate the pressure from the Governor. If he wants to hold this as a pocket veto, so be it. He is going to have to answer to that. But, if I know the Governor, and have been watching his games he is going to veto this bill and get it back to us immediately and expect us one more time to take the blame. So, I suggest lets use a little statesmanship here, a little patience and lets leave the bill come up in its normal order for Final Reading.

SPEAKER LUEDTKE: All right, Senator Labedz, would you care to close?

SENATOR LABEDZ: No closing, Senator Luedtke.

SPEAKER LUEDTKE: Motion is to suspend the rules to permit the reading of LB's 946 and 946A this morning immediately. All those in favor vote aye, opposed vote nay. This requires 30 votes. Will the Sergeant at Arms make sure that all the members of the Legislature are in this...at their desks. We are on Final Reading. Please see to it that all members are at their desks. I'm going to hold the board open until they are. All right, record the vote.

CLERK: 13 ayes, 19 nays on the motion to suspend the rules Mr. President.

SPEAKER LUEDTKE: Motion fails.

CLERK: Mr. President, I have a letter from the Governor addressed to the Clerk (letter appears on page 1984 of the Legislative Journal) regarding LB's 951 and 957.

Mr. President, your committee on E & R respectfully reports that we have carefully examined and reviewed LB 554 and recommend the same be placed on Select File with amendments. LB 800 replaced on Select File with amendments. LB 424 replaced on Select File with amendments. LB 248 replaced on Select File with amendments.

Mr. President, your committee on E & R respectfully reports that we have carefully examined and reviewed LB 885 and find the same correctly enrolled. 636, 343, 407A all correctly enrolled.

SPEAKER LUEDTKE: While the Legislature is in session and capable of doing business I propose to sign and do sign LB 885, 636, 323 and 407A.
